KUMARAN HOSPITALS (P) LTD.
defining health care

ABOUT KUMARAN HOSPITAL:

Kumaran hospitals is a 125 bedded Multi-super specialty hospital established in 1989 by Dr.S.Palanisamy & Dr.P.Manimekalai, to provide a wide spectrum of high quality medical & surgical services to all patients across ages using sophisticated technology for diagnostic & therapeutic purposes at affordable costs.

Located in the heart of Chennai, with over 33 yrs of experience, our centre is NABH (Hospital), NABL (Laboratory) & NABH (Nursing) accredited & is approved by almost all major insurance companies. Our medical & surgical team is highly skilled & has great experience in handling every situation. The team is ably assisted by dedicated nurses, technicians & support staff to provide a holistic healing experience to every patient.

VISION & MISSION:

Kumaran hospitals is committed to delivering high quality, personalized care to people of all ages & in every stage of life.

Kumaran hospitals is firmly centered on a strong tradition of community & patient focused care. We will be the first choice for hospital related services in this area. We will differentiate from other hospitals by continually evaluating the needs of the communities & patients we serve & adding new services & technologies to meet those needs.
