Our Operation Theatre (OT) is a state-of-the-art, sterile facility designed for performing surgical procedures with maximum precision, safety, and efficiency. It integrates advanced medical technology, ergonomic design, and strict infection control measures to ensure optimal outcomes for both patients and surgical teams.

Our key features in the OT :

- Sterile environment
- Advanced surgical equipment
- 4 Modular design theatres with bioclad walls
- Shadowless lightings and ergonomic tables & instruments
- Supportive staff and infrastructure
